IMPORTANT NOTICE REGARDING YOUR SPRINT SERVICES

Dear Sprint Customer,

Sprint and Trinsic Communications, Inc. are contacting you and other customers to let you know of an upcoming change to your local and long distance services. Sprint will be transferring all Sprint Complete SenseSM and Sprint Complete Sense for BusinessSM customers to Trinsic, the acquiring carrier on February 1, 2006, or shortly thereafter.

You will retain your current plan, rates, features, Terms and Conditions of Service and your current customer service numbers. It is important to both Sprint and Trinsic that you continue to receive uninterrupted phone service at the level you have come to expect and deserve. Trinsic, founded in 1998 under the name Z-Tel, was the first nationwide local phone service provider. In addition to providing service to hundreds of thousands of their own residential and business customers, Trinsic offers services to other phone companies. Sprint has utilized Trinsic's services to operate and support Sprint Complete Sense since 2003. Now that service will simply be provided directly under the Trinsic name.

You will not incur any charges for the transfer of services to Trinsic, and no action is required from you regarding this changeover. Your phone number will not change and your service will be automatically transferred to Trinsic on February 1, 2006. For any disputes with charges or services after February 1, 2006 you may contact Trinsic through your current customer service number.

All customers have a choice in carriers for their local and long distance service. If you choose to seek an alternative carrier for services, you may incur a fee for transfer of services. If you choose to select an alternate carrier, please contact the new carrier prior to January 15th, 2006 to ensure no interruptions to your service. A list of most local and long distance service providers is typically available in your local telephone directory. You may contact a Sprint customer service representative for residential service-1-800-882-7802 and for small business at-1-866-852-9557 if you have questions or need assistance. Written correspondence can be sent to Sprint Customer Service P.O. Box 15955, Shawnee Mission, KS. 66285-5955.

Any PIC freeze on your Sprint local or long distance services will be automatically removed to enable a switch in services. A PIC freeze which may exist on your line(s) of service today will not transfer to Trinsic. If you wish to reestablish a PIC freeze please contact Trinsic after February 1, 2006.

Sprint and Trinsic have notified the FCC & the Public Utility Commission of Oregon regarding the intent to transfer services to Trinsic. The FCC will normally authorize this proposed transfer of service unless customers show they will be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity will be otherwise adversely affected. If you wish to object, you should file your comments within 15 days of receipt of this notification. Address complaints to the Federal Communications Commission, Washington, DC 20554, referencing the Application of Sprint Communications Company L.P. and/or Application of Trinsic Communications, Inc. Comments should include specific information about the impact of this proposed transfer upon you and/or your company, including any inability to acquire reasonable substitute service.

Thank you for choosing Sprint Complete Sense. It has been our privilege to provide this service to you. Trinsic welcomes you and looks forward to providing you with reliable, innovative communication services for years to come. Look for more information from Trinsic in your mailbox in the coming weeks.

Sincerely,
Sprint and Trinsic
